

MEMORANDUM FOR: GENERAL SMITH

TOP SECRET

Attached is the approved version of the "Stevens Paper". Para. 11 (pages 5-9) describes five studies or plans which it is recommended CIA make as a matter of priority. Admiral Kirk suggested I read para. 14.b which relates to Albania, since this subject is currently being discussed in the PSB Review Staff.

Do you want me to do anything about getting these studies underway?

*Are we now able to make them? MMS*

My dear General Smith:

I have the honor to transmit herewith the final copy of "A Strategic Concept for a National Psychological Program with particular reference to Cold War Operations under NSC 10/5," (PSE D-31) conditionally approved by the Psychological Strategy Board at its Fifteenth Meeting on September 11, 1952.

At the Fifteenth Meeting the Board agreed that the paper was formally approved as soon as the comments of the Department of Defense were received and agreed to by the Department of State and the Central Intelligence Agency. Such action has been completed.

Sincerely yours,
